

Neighbors South Coalition Habitat For Humanity

2006 Volunteer Form

Thank you for your interest in participating in the 2006 Neighbors South Habitat For Humanity build. On Saturday, June 24, we will start the build. The home will be located at 3020 W St. on the lot just east of last year's build. Working on a Habitat build is a great experience. You get to help provide a quality, affordable home to a deserving family, you may learn some new skills to help you on your home projects and you will meet some great people. We can use all levels of skill. WE LOOK FORWARD TO SEEING YOU!

To signup, we need to have you complete a few items for us:

- Please fill out the Volunteer Form on the next page by marking the days that you will participate. Please indicate the portion of the day you will work, i.e., morning (AM), afternoon (PM) or both.
- Please fill out a Habitat waiver form, either Adult or Minor. The Adult form is for volunteers 18 and older. The Minor form is for those volunteers age 16-17. Per Habitat For Humanity rules, we are not able to allow those under 16 to work. Please complete the blanks in the first several lines and sign in the "Volunteer" signature space at the end of the document. Also, Habitat requires a witness signature on the form. Minor forms must be signed by a parent or guardian. Finish by completing the address portion as well as the emergency contact information. The remainder is optional.
- Please fill out a Wells Fargo waiver form. Please complete the entire form including a witness signature. Wells Fargo is a major financial contributor to this build.

Return the completed form and the appropriate waivers to your church representative or mail to
